

Land, water and bees – don't take us for granted: Food web board game

Student activity sheet

How to play the game

1. Roll a die to see which member of the food web you will be:
 - 1 Thrush
 - 2 Rose
 - 3 Aphid
 - 4 Honeybee
 - 5 Ladybird
 - 6 Spider
2. Roll the die again to see who will go first.
3. Each player rolls and moves forward the number of squares they roll.
4. If during the game you land on the picture of an animal ABOVE you in the food web, you go back **one** space.
5. Or if you land on a picture of an animal BELOW you in the food web, you go forward **one** space.
6. If you land on a 'Predator Prey' (PP) space, you pick up a card and follow the instructions depending on what animal you are, or you try to answer a question correctly.
7. First to finish wins!
